A number of NTID athletes have recently completed a training camp in Sydney prior to the AISL International Open which was run from the 14th to the 16th of August. The NTID group had some pretty positive results from the AISL International Open with Hayley Chapman, Marlo Wilson and Emily Esposito achieving 1st, 2nd and 3rd place respectively in the Junior Women's Air Pistol event. Congratulations Girls. Please see below for some photo's.

We have also had some of our NTID athletes recently travel to the Singapore Open Shooting Championships to compete in the Junior competition, which provided them with some very valuable competition experience for the future.

The NTID athletes also have a camp coming up in September in Brisbane prior to the Australia Cup 3. These camps are proving to be a very beneficial exercise with athletes continuing to improve day by day, with much assistance from Anatoly Babushkin and Dina Aspandiyarova.

Stay tuned for more NTID updates to see how the group is continuing to progress.
